## Cast

Ben Bother

Ben's Producer

Sexucation tech support1 -- male (off stage, voice only)

Sexucation tech support 2 – female

Enter Ben. He has a penis attached to his rear bottom spine, like a tail. He avoids showing that to the audience until the close.

Producer:

You're on in 5 minutes, mister Bother. You still have time to check on that penis you got from Sexucation.

Ben:

I really don't like this. It is not something a television news anchor is expected to do.

P.

They are a big sponsor. We need the money to pay your salary.

B.B.: (with resignation)

If I must.

BB -- wear phone.

Sound effect:

Phone ringing.

STP1: (Bright and eager. Well trained. Try to make the last line unctuous.)

Hello. This is Danny at Sexucation Tech Support. All you need in sex equipment.

How may I help you? (Unctuous)

B.B.:

Well. Uh. I have purchased one of your products and I have some questions about its operation.

STP1:

Our pleasure is to serve you. Would you give me your name so that I can look up your account?

B.B.:

Bother. Ben Bother. I am a famous Television news anchor.

STP1: (with feigned understanding)

Of course, sir. And are you having trouble with the Sexucation Superclit you recently purchased?

B.B.:

No. No. I didn't buy that! I just looked at it.

STP1:

And would you be interested in buying the Sexucation Superclit at this time?

B.B.:

Oh, no! My problem is with my penis!

STP1:

You need help with your penis, sir?

B.B.:

Yes. I can't find my penis!

STP1:

Just a moment, sir. I will transfer you to our penis help desk.

STP2 Sound effects: phone transfer sounds (can be obviously made by mouth)

STP2: (Seductive)

Hello. This is Honey at Sexucation Tech Support, Creative Cocks desk. All you need in cocks

How may I help you with your cock?

B.B.: (Deeply embarrassed)

You're -- You're female! I was talking to a man.

STP2:

At Sexucation we generally have girls handle the cocks. We find that most men prefer to have girls work with their cocks. Would you prefer to have a man handle your cock?

B.B.:

Oh no! Never! Not at all!

STP2:

Oh, good. Now, how may I help you with your cock?

B.B.:  
I can't find it. This is very embarrassing!

STP2: (superficial sympathy)  
Oh there is no reason at all to be embarrassed. I have helped many men to find their cocks. Just look in your inventory.

B.B.:  
I did look there. I couldn't find it.

STP2:  
Were you searching for a penis, sir?

B.B.:  
Yes.

STP2:  
That may be the problem. You need to look for a cock.

B.B.:  
A – a -- a cock? All right I am searching now. –

Oh yes, there it is.

STP2:  
Do you know what to do with your cock?

B.B.:  
Not – Not exactly.

STP2:  
You right click on your cock. Then, when the big circle comes up, just select "wear" from the menu.

B.B.:  
Ok. I am clicking "Wear."

**SFX:** A cock appears on Ben's head. It points upward and forward, but obviously out of Ben's Sight

B.B.: (puzzled)  
Nothing happened.

STP2:  
There's nothing on your crotch?

B.B.:  
No! There is nothing on my crotch!

You know there was a time when a newscaster enjoyed a certain level of dignity and respect. This kind of thing never happened to Edward R. Murrow.

STP2:

Ok... Ok... Maybe you have a defective cock. I'll give you another cock. Ok there should be another in your inventory. Now look for your cock and attach it as before.

B.B.:

OK. Clicking "Wear"

**SFX:** Another cock appears on Ben's head. This one points straight up out of his sight.

B.B.:

Still nothing.

STP2:

Oh my. I *am* sorry, sir. We must be having problems with our asset server. Let me try again. Now look for you cock and attach it as before.

**SFX:** A third cock appears on Ben's head positioned so he can't see it.

STP2:

How is that?

B.B.: (Irritated)

Nothing!

STP2:

Oh dear, we must be having terrible problems with our asset server!

B.B.: (exasperated)

Now see here! I don't know what an asset server is, and I don't want to know. All I know is that I am not getting any satisfaction with my cock.

I have to go on camera in a minute. Good bye.

(Loud) Mister producer, how long have I got?

Producer:

Mister Bother, we are ready to roll tape now.

B.B.:

I'm ready. How do I look?

Producer:

Mister Bother., come back to the Green Room for a moment. I don't think you are quite ready to go on camera.

Ben turns showing the penis attached to lower spine. Exit to Green Room.
